

## **Muehlhan at WindEnergy 2014**

All the innovations, market trends and experts – are coming to Hamburg for the new gateway to the world of wind energy. This new leading international event will be held at the Hamburg Fair site, covering the whole of the value chain of the international wind industry onshore and offshore to give you a comprehensive overview of the status and future of the industry:

WindEnergy Hamburg 2014  
International Trade Fair Hamburg  
Booth, 318, Hall B5  
From 23rd to 26th September 2014

We would like to invite you to visit Muehlhan's booth and get an impression why we are the wind turbine manufacturers' preferred contractor and service provider.

We are looking forward to your visit!
